All these ceiling heaters are now on 2-hour timers and will automatically switch off. Please ask your Deacons or Deaconesses to turn on heaters should there be a need to warm the area. The heaters are on 2-hour timers to ensure they are not left on after hours, like lights turned off and doors locked, when church services are finished.

2. As a general condition we request **No Food to be eaten in the Church Sanctuary** anywhere immediate area at any time and including IT Room. Snacks for children can be eaten in Children's Room | Mothers Quiet Room during Church Services but we request no hot food or plates of food during combined lunches are to be eaten inside the Children's Room | Mothers Room
